

70 Service Street POREPUNKAH VIC

4 2 1

Although the fittings and fixtures are starting to show their age this has been a very well built home with many features that are incorporated into large homes such as this that are being built today. All rooms through the whole house are generous in their size, the master bedroom is especially big with a large walk in robe & ensuite. 2 other bedrooms plus a study (or 3 bedrooms) will accommodate even large families and there is a kids play room built off the rear verandah. The house has an abundance of storage throughout and there is a huge workshop to keep all men happy at the rear of the allotment. A large open crown land area adjoins the property giving that feeling of extra space and also more room for the kids to run around on and the Ovens River runs at the rear of the property. Inspections by anyone who is motivated will surely please.

Building Size : 24 sqm
Land Size : 1931 sqm
