Offering so much more than the photos can show you, this classic home will give you that "something extra" that all buyers are looking for. Although it's current configuration is for a 4 bedroom, 3 bathroom home with multiple living areas, a sensational deck that leads to the pool and set on approx 1700m², this property is screaming out for your fresh ideas to maximise this brilliant location on Morses Creek Road, in the heart of Wandi. The land continues down to crown land, the walking trails and the soothing waters of Morses Creek. Being in what is considered the business area of Wandi and formally the home of the Wandiligong Post Office, the possibilities are only limited by your imagination. Your home with Ice Cream Parlour or General Store or Art Gallery or B&B whatever you can think of. An excellent opportunity that is worth exploring.
