Offered for sale is this brick veneer home in the heart of Porepunkah at a very affordable price. It comprises a master bedroom with walk-in robe and ensuite and two other good sized bedrooms both with built-in robes.

There is a separate lounge room and combined open plan kitchen, dining and family room that leads to a generous sized undercover outdoor entertaining area. The generous back yard houses a good solid steel framed shed set on a concrete slab and has power to it. It also has a small chicken coop and vegetable patch, perfect for growing your own produce. 20 solar panels on the roof provide some relief from the ever increasing energy prices.
