Sitting on an impeccably presented half acre block is this excellently maintained four bedroom and two bathroom home with more than ample living space spread across some 25 squares. The master bedroom has a walk through robe and spacious ensuite; the three other bedrooms all have built-in robes. The main bathroom has a shower, corner spa and vanity. One of the wonderful features about this property is the awesome sun room which is north facing and drenched in sunshine which leads out to a fantastic deck that pokes out over the rear yard space.
