

Lot 2, 524 Mt Buffalo Road POREPUNKAH VIC

Wonderful, inspirational, secluded, amazing, sensational, rare opportunity are just a few words that spring to mind when trying to describe this spectacular 11ha (29acre) parcel of land that comes with a permit to build a house on it. Gently sloping from the height of Mount Buffalo Road rising to natural bush and the National Park, this property will please anyone who is looking for natural beauty. A mix of open and treed land, with wandering wildlife and a house site that offers views to the Mt Buffalo Gorge that feels so close that you can almost touch it.

Overall a very rare opportunity to purchase land such as this, definitely not to be missed.

Land Size : 117359 sqm
