

7 Station Street POREPUNKAH VIC

Whether looking out the front towards Mt Buffalo, or taking in the rural setting to the rear, you are certain to enjoy some wonderful views by owning this exceptional block of land.

With its ideal size of 1561m², you will have an abundance of room for the house and the shed while still having plenty of room for the kids or grandkids to run & play.

This land has a predominately North/South orientation and with its width of 30m will allow for a solar passive design while taking in those awesome views.

Nice & flat, with all town services available, this is land well worthy of a walk over.
