

4/1a Camp Street BRIGHT VIC

This is the perfect opportunity for those looking for 'just an office space'. This property has one becoming available and offers loads of features (furniture not included).

The building is a modern well maintained building in a great location. Carpeted throughout and has its own air-conditioner. There is a common waiting area for your clients to be seated in and the other tenant that you share with is in a good stable tenancy. The utility area to the rear is shared and consists of kitchenette with dishwasher, disable access toilet and storage. The common area is cleaned fortnightly on behalf of the landlord. Some of the outgoing/bills are paid by the landlord and others are shared with the other tenant. This certainly keeps costs down.

Building Size : 9 sqm
