

1/11 Ireland Street BRIGHT VIC

This shop is located in the prominent Ireland Street precinct of Bright. It's large front window allows natural light into the shop. The size is not too big and the rent and outgoings are reasonable. There is tenant parking at rear of building. The Alpine Shire have just finished improving the pedestrian links of the street which means the majority of foot traffic will now pass this shop. There is an opportunity to reduce the size of the shop if required. Inspection by appointment only.

Building Size : 44 sqm
