

61 Feathertop Track HARRIETVILLE VIC

2 2 1

Available for winter is this oh so cute two bedroom, two bathroom home built on Nordic design principles nestled in Harrietville, the gateway to Mt Hotham. This deceptively spacious home is fully furnished with all you need other than linen. There is a fully equipped kitchen with a small induction cooktop, wall oven, dishwasher and large pantry open to a living and dining space. Both bathrooms each have showers and toilets and bedrooms with robes. Outside is a large unfenced yard (not suitable for pets) with a single garage sized shed for all of your winter toys and a carport. There is also an undercover alfresco area to enjoy the crisp outdoors. The little red house will be available from: 01.06.19 until 30.09.19.
