

11 Ireland Street Brighton VIC

Sitting proudly along the western side of Ireland Street is one of Brights most recognizable commercial properties, "Buckleys".

The original Buckley's Store was built in 1891 with the building being enlarged and a second storey added around 1900, creating the magnificent building we see today.

The current configuration is 2 ground floor shops and a 4 bedroom upstairs residence.

The residence has its own access, has been sympathetically remodelled over time, offers nice size bedrooms, a fully tiled bathroom with large shower, open plan kitchen & dining and large lounge area with high ceilings throughout.

Price : \$1,850,000
Building Size : 315 sqm
Land Size : 676 sqm
